Usage instructions

Step 1:

Simply open the app and you will be greeted with a map of campus, if you are on campus it will center on your location otherwise you can start off at our student union building.

Step 2: To learn more about a campus location you can open the location page by:

- a. Click on any map marker
- b. Click any location on list
- c. Walk to any marker location

Step 3: From the location page click play to hear about campus location.

Step 4: To explore on campus dining select Campus Food from the drop down menu on the home page. Location page provides hours of operation.
